Castle & Cook Kannapolis, LLC
210 Oak Avenue
Kannapolis, North Carolina 28021
Attn: Mr. Brad Cardwell, Director of Development

SUBJECT: Fieldcrest Cannon Ash Handling Facility
CCB0027
Rowan County

In an effort to survey coal combustion by-product structural fill sites, an inspection was conducted at the closed Fieldcrest Cannon Ash Handling Facility on December 21, 2009. After subsequent document research, the Solid Waste Section has referred regulatory oversight of the coal combustion by-product fill located at the Fieldcrest Cannon Ash Handling Facility to the Division of Water Quality, Aquifer Protection Section. Therefore, the Notice of Violation issued to Castle and Cook Kannapolis, LLC on January 8, 2010 is no longer applicable and the request for certification of closure and recordation is no longer required.

Please contact Mr. Andrew Pitner, DWQ-Aquifer Protection Section in the Mooresville Regional Office at (704) 235-2180 for any regulatory questions regarding this site. If you have any questions regarding this matter, please contact me at (704) 235-2160 or by e-mail at teresa.bradford@ncdenr.gov.

Sincerely,

Teresa N. Bradford
Environmental senior Specialist
Solid Waste Section
